

Ogier Fiduciary Services – Trustee Services Japan

The Ogier Group is the world's largest offshore law firm with a presence in ten jurisdictions around the world and employing over 850 professional and support staff including more than 200 lawyers and 300 professional administrators.

The Ogier Solution

The Ogier Group is comprised of Ogier legal services and Ogier Fiduciary Services. The Ogier Group is dedicated to providing practical, solutions based advice. We are the only offshore law firm to be able to offer legal and administration services for British Virgin Islands (BVI), Cayman Islands, Guernsey and Jersey companies, trusts and limited partnerships across all time zones.

Dedicated Trustee – Fiduciary Responsibility

The presence of an independent trustee is increasingly important to investor confidence and Ogier Fiduciary Services' experienced senior management staff can bring a wealth of knowledge and depth of expertise to an investment fund or other equity or debt issuance structure that will greatly enhance the overall operation of the structure both for the manager/sponsor and for the investor.

Trustee services provided by Ogier Fiduciary Services are treated with the utmost importance. In addition to regular communication with the investment manager, Ogier Fiduciary Services will liaise with other service providers to the funds to provide independent oversight to safeguard the interests of investors.
