

We would be delighted for you to join us at our first HR Networking Breakfast event on 30 April 2024. We intend to have regular roundtable discussions on employment law issues impacting our HR colleagues on a day-to-day basis.

This first discussion will focus on developments on retirement ages in Ireland and provide an update on recent legislative changes across employment law.

To reserve your place, please RSVP to [Gareth Ryan](#) along with any questions you may have.

Kind regards,
