

Ogier ranked among top law firms for Ultra High Net Worth individuals

News - 08/07/2016

Ogier has been named among the top law firms for Ultra High Net Worth Individuals by Billionaire.com.

The website compiled its list of the top lawyers for UHNW individuals in conjunction with Wealth – an online marketplace for financial services.

Ogier's sixth-placed listing by the website notes Kate Hodson's role as a partner in the investment funds practice in Hong Kong, and her recent work as lead counsel to one of the largest fund platforms based in Singapore with more than US\$1 billion under management. Kate also provides advice to private clients, trustees, family offices, investment managers and their professional advisers on structuring offshore trusts.

The listing follows Ogier's top tier ranking in the first Chambers and Partners High Net Worth Guide last month.

Kate commented "This is an increasingly significant area of work for us, and this kind of recognition is very welcome – especially on the back of our ranking in the Chambers and Partners HNW guide."
