

Two of Ogier's private client team make Powerwomen list again

News - 05/12/2016

Sally Edwards and Katherine Neal from Ogier's Jersey private client and trusts team have once again been named in the Citywealth Powerwomen list.

The list of the 200 most influential women in the private client sphere recognises women "who are trailblazers in their field, helping to promote business excellence in their home jurisdiction and consolidating the reputations of the financial services industry globally".

Sally has been included in the top 200 list every year since its inception, and Katherine is a managing associate in the team, specialising in advising professional trustees, settlors and beneficiaries who was first included in 2015.

Feedback quoted in the citation demonstrates why Sally and Katherine are seen as leaders in their field.

The feedback on Sally said she was "excellent at thinking strategically and finding solutions to problems whilst providing clients with reassurance that their needs and concerns are being met", and Katherine was praised for her "consistently competent advice" that makes her "one of the need-to-know lawyers in Jersey".

The list has been compiled from a number of sources. Citywealth's own independent research is combined with recommendations from leading figures in the financial service industry and submissions.
