

Corporate Annual Review 2022

Insights - 19/12/2022

| View the corporate annual review 2022

This year has seen our global Corporate team work on ground-breaking transactions across sectors.

Despite a year of testing market conditions, our emphasis on complex, cross-border matters has helped us to anticipate and meet the challenges of 2022, producing outstanding results for our clients.

This year, more than ever, we have collaborated across our jurisdictions to remain at the forefront of the issues affecting clients across industries, leveraging our market-leading technology to provide a seamless service.

Our Corporate team has also broadened its reach, with the opening of new offices in Ireland and Beijing, and has further strengthened its practices, particularly in private equity, digital assets, venture capital and the disruptive technologies space.

Our reputation for big-ticket work remains world-class, with outstanding recognition from Chambers, Legal 500, IFLR1000, Private Equity Wire, Asia Legal Business and more.

We've welcomed nine new partners to the corporate team, consolidating our bench strength across disciplines.

As we look ahead to 2023, we will continue to invest in our talent and service delivery, further growing the capabilities to match our clients' needs.

| Insights: Meeting the challenges of 2023

Nathan Powell, our global head of Corporate, looks at the trends that have emerged in 2022 and what we can expect going into the new year.

Insights: Inflation, infrastructure and private equity

In this Q&A, partner Alexander Curry, from the Corporate team in Jersey, explains what rising inflation could mean for infrastructure projects and the wider private equity industry.

Ogier merges with Dublin-based Leman Solicitors

In 2022, Ogier joined forces with Dublin based commercial law firm Leman Solicitors LLP to become Ogier Leman, a full service firm offering particular legal expertise to the corporate and financial sectors. The merger makes Ogier the only law firm to advise on BVI, Cayman Islands, Guernsey, Irish, Jersey and Luxembourg law.

Deals: Technology and Media

Ogier in Cayman and BVI advised Founder SPAC on US\$1.7 billion merger with Rubicon Technologies, a leading digital marketplace and software provider for the waste and recycling industries.
