Who we are

We get straight to the point, managing complexity to get to the essentials.

We are a professional services firm with the knowledge and expertise to handle the most demanding and complex transactions and provide expert, efficient and cost effective services to all our clients.

Our commercial understanding and experience of working with leading financial institutions, professional advisers, high-net-worth individuals and regulatory bodies enable us to add real value to our clients' businesses.

Ogier provides practical advice on a unique combination of six laws: BVI, Cayman Islands, Guernsey, Irish, Jersey and Luxembourg. We have a substantive presence in Hong Kong and offices in Beijing, Dubai, Shanghai, Singapore and Tokyo. Our global network covers Asian, European and US time zones.

In a rapidly evolving marketplace legal advice needs a flexible approach. Smooth, efficient, quiet service for the daily running of businesses, with serious power and finesse at times when activities deviate from the norm.

By matching the right level of experience and expertise to each transaction, our top tier global Banking and Finance team provides a service tailored to individual needs.

Ogier lawyers know what they are doing, know the market and deliver a good service

What we do

By matching the right level of experience and expertise to each transaction, our top tier global Banking and Finance team provides a service tailored to client needs.

We are known for our technical expertise, industry knowledge and responsiveness; this experience enables us to provide commercial advice to clients on a wide range of cross-border and local finance transactions.

Whether our client is acting as lender, borrower or in some related capacity, we have the strength in depth to help them achieve their commercial objectives.

We support lenders, borrowers and other financial institutions transacting in or with counterparties or assets in the BVI, Cayman, Guernsey, Ireland, Jersey and Luxembourg and typically work closely with onshore legal teams.

From debt and other security instrument listings to complex cross-border financing transactions, and restructuring and insolvency, we draw on the complementary disciplines of our Banking and Finance, Real Estate, Investment Funds, Restructuring and Insolvency, Corporate and Dispute Resolution teams to provide a seamless service.

Our legal team also works alongside Ogier Global's corporate and fiduciary professionals to support clients with the formation and administration of asset finance vehicles, real estate holding structures, public and private debt issuers (including Islamic finance structures) and securitisation vehicles.

Our presence in all major time zones ensures that complex transactions can be effected within the tightest of deadlines.

Our specialised teams cover:

- Asset Finance
- Banking and Finance
- Debt Capital Markets
- Derivatives
- Fund Finance
- Islamic Finance
- Leveraged Finance
- Real Estate Finance
- Regulatory
- Restructuring and Corporate Recovery
- Structured Finance
- Sustainable Finance

The team is composed of very dedicated, experienced, and professional people Legal 500 Caribbean, 2025

Our capabilities

We advise all clients on a wide range of cross-border and local finance transactions, from debt and other security instrument listings to complex cross-border financing transactions, and restructuring and insolvency.

Asset Finance

Clients value our commercial focus and responsiveness when dealing with both domestic and cross-border asset financings. We act as a trusted partner to many of the top international law firms specialising in asset finance.

Our team has considerable experience advising in respect of the financing, acquisition, lease and sale of aircraft and vessels. Alongside our multi-disciplinary Aviation and Marine team, we can advise on aircraft registration, aircraft certification and security registration on the Cayman and Guernsey aircraft registries.

CAYLUX Fund Finance

Our CAYLUX team is able to offer combined Cayman and Luxembourg legal advice for all types of fund finance transactions. With Luxembourg qualified lawyers based in the Cayman Islands, we provide Luxembourg legal expertise from a US time zone, providing clients with an efficient, seamless service.

The team also works closely with our fund finance experts in Ireland to advise on structures that include Cayman Islands, Luxembourg and Irish vehicles.

Debt Capital Markets

We advise on all forms of debt capital markets transactions using BVI, Cayman, Guernsey, Ireland, Jersey and Luxembourg structures. This includes specialist and sovereign debt issues, as well as the full range of DCM transactions including specialist and sovereign debt issues, as well as covered, high yield and investment grade bond issues.

Derivatives

Ogier's Derivatives team is recognised internationally as a leading offshore practice. Our experts advise on all offshore aspects of the over-the-counter and exchange-traded derivatives market and related products.

These include currency and interest-rate swaps, collateral credit derivatives, repos, securities and stock lending, equity, credit, energy, weather and commodity derivatives and FX products as well as derivatives-based securities and transactions - including CDOs/CBOs/CLOs/CLNs and tax-driven structures.

Fund Finance

Our team regularly acts for lenders, financial institutions, funds and sponsors, advising on the full range of fund finance transactions, including subscription and capital call facilities, NAV and hybrid cell facilities, GP and management lines of credit, fund of fund facilities, plus Ogier's innovative CAYLUX service offering.

Islamic Finance

Ogier's Islamic Finance team includes experts who are experienced in traditional forms of finance as well as the Shariah principles governing Islamic finance and financing techniques. We are conversant with a broad cross-section of Islamic products and work closely with our clients to reconcile the requirements of regulators and Shariah scholars. In particular, we have significant expertise in the set-up of SPVs.

Leveraged Finance

Our international acquisition and leveraged finance team advises lenders, private equity sponsors and borrowers/issuers on a wide range of transactions. These include corporate and real estate acquisitions/sales, secured facilities, high yield transactions, and bank and bond financings.

Listing Services

Ogier Corporate Finance Limited (OCFL) is one of the leading listing agents for listings on The International Stock Exchange (TISE). OCFL acts as listing agent in relation to the listing of a broad range of debt securities.

Current listings on TISE include loan and payment-in-kind notes, equity-linked notes, convertible notes, high-yield bonds, Eurobonds and warrants. TISE's listing authority, The International Stock Exchange Authority Limited (TISEA) is also open to new product lines and structures.

Our specialist teams offer exceptional levels of expertise to assist issuers and provides advice and assistance in relation to both the initial listing process and ongoing requirements, to ensure compliance with TISEA's Listing Rules and the continuing obligations applicable to listed issuers.

Ogier also offers listings services on the Cayman Islands Stock Exchange (CSX) through its Jersey and Cayman Island offices

Real Estate Finance

Members of our Real Estate Finance team have provided advice and solutions to major domestic and international lenders and financial institutions on a broad range of transactions, from the term sheet and structuring stage, through closing, tranching, syndication and securitization, administration, servicing and, if required, restructuring.

Restructuring and Insolvency

Our global Restructuring and Corporate Recovery team draws upon the creativity, knowledge and experience of the entire firm across multiple disciplines to provide responsive and commercial solutions for clients.

Our expertise extends to all aspects of restructurings from consensual workouts to contentious schemes of arrangement. The close working relationship between our contentious and non-contentious teams across all of our jurisdictions means we are ideally placed to advise in the most difficult and unpredictable of distressed situations.

Regulatory

Ogier strives to ensure that our clients not only remain in compliance with their regulatory obligations but that they receive forewarning and practical advice regarding the implementation of regulatory proposals, initiatives and reforms.

Structured Finance

Our global structured finance teams act for a wide range of banks, issuers, underwriters, trustees, managers, sponsors, corporate service providers and other financial institutions providing specialist legal advice on all aspects of traditional and cutting-edge finance structures, from securitisations to asset-backed lending, re-packagings and other structured finance transactions.

Sustainable Finance

Our teams assist the banking and finance sector in meeting their various sustainable finance commitments and initiatives championed by both governments and industry. Products include green, social and sustainable bonds/loans, sustainability linked financings and related structures.

Our legal experts offer a wealth of knowledge and advice to assist clients in shaping their ESG strategy and operationalise this into investment, lending and project finance approaches.

Corporate and Fiduciary

Providing exceptional and efficient service, Ogier Global offers clients integrated legal and corporate administration services.

Our teams work closely with Ogier Global's corporate and fiduciary professionals to support clients with the formation and administration of asset finance vehicles, public and private debt issuers (including Islamic finance structures), securitisation vehicles, and real estate administration.

Our work

CACEIS Bank SA

Ogier acted as Jersey and Guernsey legal counsel to CACEIS Bank SA in its successful bidding process for the sale of the RBC Investor Services Bank SA (Luxembourg), RBS Offshore Fund Managers Limited (Guernsey and Jersey) and certain assets and liabilities of RBC Investor Services Trust (UK branch) (the Targets).

Eight teams across Ogier's Guernsey and Jersey offices worked together to manage the complexities and deadlines, showcasing the firm's collaborative approach and the breadth of expertise required to service our clients on these types of M&A transactions.

Colliers Group

Ogier in the BVI advised on the extension and increase of a multi-currency revolving credit facility made available by a consortium of banks, headed by Bank of Montreal, to Colliers International Group Inc (Colliers), a company listed on NASDAQ and TSX.

States of Jersey bond issuance

Jersey advised the Joint Lead Managers (JLMs) in respect of the £500 million bond issuance by the States of Jersey. The 2.875% bonds, which are due 2052, have been listed on The International Stock Exchange and are the States' first bond issuance since 2014.

Take-private of 51job Inc

Ogier acted as Cayman Islands legal counsel on corporate and debt finance matters to an investor consortium comprising DCP Capital Partners, Ocean Link Partners Limited and Rick Yan, the chief executive officer of 51job Inc, in the proposed take-private of the company.

Pizza Express

Ogier advised PizzaExpress on the Jersey law aspects of its offering of £335 million of bonds and entry into its new super senior revolving credit facility. The proceeds from the new bonds were used to refinance the group's existing debt, representing a significant milestone for the leading restaurant chain, which has 363 sites across the UK, Ireland and the Channel Islands.

Arrow Global

Ogier's team in Jersey represented the initial purchasers on Jersey law issues in connection with Sherwood Financing plc's offering of €640 million senior secured floating rate notes due 2027, €400 million 4.5% senior secured notes due 2026 and £350 million 6% senior secured notes due 2026.

The Ogier team concurrently advised the banks on the Jersey law aspects of the company's new £285 million revolving facility agreement and intercreditor agreement.

Real Estate Financing of Jersey's IFC6

Ogier's cross-sector Real Estate team acted for HSBC as the lender to Jersey Development Company in relation to financing the development of the third building at Jersey's International Finance Centre, known as IFC6. Ogier was lead counsel to HSBC throughout the entire IFC development project and acted in relation to all of the IFC financings.

Arax Properties and Eurazeo

Our real estate finance specialists in Jersey advised Arax Properties and Eurazeo on the acquisition of the Trinity Trading Estate, a highly sought after multi-let trading complex located in South East London.

Technology and Web3 Invesco Physical Bitcoin

Jersey advised Invesco on the launch of the Invesco Physical Bitcoin exchange traded notes (ETN) programme. The transaction marks the asset manager's first issuance of a physically backed ETN linked to cryptocurrency.

Sustainable Finance International Finance Corporation

Ogier acted as Cayman Islands counsel to the International Finance Corporation (the IFC) on the launch of a US\$100 million 10-year social bond - the Philippines' first ever social bond in the healthcare sector.

An Ogier team in Hong Kong advised the IFC, a member of the World Bank Group, in connection with its subscription for a social bond issued by AYC Finance Limited, a Cayman subsidiary of Ayala Corporation, and guaranteed by Ayala Corporation.

BTG Pactual

Ogier advised BTG Pactual, one of Latin America's largest investment banks, on its first green bond issue. BTG Pactual issued US\$500 million senior unsecured notes under Rule 144A and Regulation S of the US Securities Act, attracting approximately US\$1.2 billion of initial demand.

Restructuring Noble Trading

Ogier in the BVI advised the security trustee of the Noble Group, the global commodities trading business, on its US\$1.3 billion financial restructuring. The transaction involved a consensual restructuring of the Trading Co division of Noble Group.

The restructuring was implemented by way of a lender-led BVI share pledge enforcement and subsequent sale of the Trading Co business to a newly established holding structure owned by Noble Group's senior secured creditors.

Constellation Group

Ogier in the BVI has advised Constellation Oil Services Holding SA and its wider group, the Constellation Group, on its approximately US\$2 billion debt restructuring. The transaction involved a number of complex BVI aspects, including, in addition to the take-on of new finance and security arrangements, a multi-layer BVI statutory merger involving multiple encumbered companies.

The full Ogier team, from partners to junior associates, are very responsive and diligent
Chambers Global, 2025

The team has an exceptionally strong combination of regulatory expertise, commercial awareness, prompt turnaround of work, sensible fees and clear communication
Legal 500 EMEA, 2024
