Background and experience

Mia joined Ogier in 2020 in the Business Services area of the firm where she gained solid experience managing internal and external stakeholders successfully by co-ordinating several areas of the legal business.

This experience led to her interest in pursuing a legal career where she transitioned to the role of paralegal in the local legal services team. She is currently in her first year of studying for her LLB Law degree through The Open University.

In 2022 Mia was shortlisted in the Jersey Finance Rising Star awards.
