

# Webinar: Growth of ESG Regulation in Asia

Events - 01/01/0001

Alongside the growing sustainable investment scene in Asia, there has been a sharp increase in ESG regulations in the region. Financial market participants are needing to enhance their current operating models and processes to meet such regulatory developments.

Leonie Kelly and Kasia Zatorska of Ogier Global Sustainable Investment Consulting, will discuss the major trends in ESG for 2023, provide an update on ESG regulation and anticipated developments across the globe.

We will discuss how climate change will be a continued focus in 2023 but how the energy transition may be brought under increased attention and how other environmental issues, including the focus on biodiversity is in sharp focus with developments related to the Taskforce on Nature-related Financial Disclosures.

Join us to hear from Ogier Global Sustainable Investment Consulting, a dedicated consultancy at Ogier Global offering bespoke design, integration, management and reporting solutions to clients.
