

We are delighted to sponsor this years' Trusts & Estates Litigation conference.

The conference, written and directed by the Global Elite's leading Advisory Board, is the original first-class offering for trust and estate litigators to gather, connect and discuss recent contentious trust proceedings from across the globe.

Rachael Reynolds KC will be taking part in a panel discussion - *Do Offshore Trust Jurisdictions Play Fast and Loose with the Rules?*

Contact us, if you would like to connect at the conference.
