## Areas of expertise

Corporate and Fiduciary >

Investor Services - Ogier Global >

## Background and experience

Before joining Ogier in April 2023, Elise Mitchell led the Client Key Person Team at large fund and corporate service providers and has assumed the position of Key Person to some of Jersey's largest regulated FSBs and collective investment funds including the world's largest fund.

Qualifications include:

- BSC (Hons) First Class Occupational Therapy Degree awarded by Coventry University in June 1999
- Completed First Module "Understanding Law" of the Open University LLB Degree, achieving distinction grades from January 2003 to September 2003
- Post Graduate Diploma in Law with Commendation (2:1) awarded by Guildford College of Law in June 2004
- Legal Practice Course Certificate Award by Guildford College of Law in June 2005
- CISI Diploma in Investment Compliance (covering Introduction to Securities and Investments, FCA Financial Regulation and Regulatory Compliance) awarded by the Chartered Institute for Securities and Investment, passing first time (results published in the Financial Times) in January 2011
- Management Development Master Class, awarded by the Institute of Leadership and Management in December 2011
- The JFSC's AML/CFT Certificate, distinction grades, awarded by Jersey's International Business School, annually during her 10-year tenure at the JFSC

## **Recognition**

"Elise has provided an exceptional service and we want to wish her all the best with her future endeavours"
