

Meet Ogier's award-winning senior team in Hong Kong

News - 04/10/2023

Ogier in Hong Kong has continued its award-winning success after being named Best Offshore Law Firm at the HFM Asian Services Awards 2023.

It's the latest major industry award win for the Hong Kong team, which has also been named Best Offshore Law firm at the ALB Hong Kong Law Awards 2023, and one of Asia's Top 15 ESG Law Firms by ALB.

Individuals from the team have also been recognised this year with a number of awards and prestigious rankings, including ALB's Top Ten Offshore Litigators 2023, ALB Offshore Client Choice List and the Women in Business Law Awards.

With more than 150 people across its legal and fiduciary business in Hong Kong, Ogier has become one of the largest offshore law firms in the jurisdiction, and the only offshore firm to have a presence in Asia's top five financial centres: Hong Kong, Singapore, Shanghai, Beijing and Tokyo.

From their work on award-winning deals, including the debt financing for the take-private of China's 51job, to working on high profile cases at the forefront of crypto litigation, such as representing the joint liquidators of cryptocurrency hedge fund Three Arrows Capital Limited (3AC) and representing the Bahamian joint provisional liquidators of the collapsed crypto exchange FTX, our partner team in Hong Kong has demonstrated expertise and commitment with outstanding strength across all service lines.

Meet our award-winning senior team:
