

We are sponsoring this year's ALFI conference focusing on private debt and infrastructure themes orbiting around the PE & RE core. This year's rebranding reflects the further evolution of private asset classes and their success which propels the Luxembourg fund centre as a whole.

The conference will feature expert presentations and debates: structuring in an international context, market developments, regulatory and tax topics, technology, talent and key operational considerations.

Our Luxembourg-based Funds team, Partner Anne-Gaelle Delabye, Managing Associate Milan Hauber, Senior Associate Anne-Sophie Lliteras and Associate Arthur Mendegrís will attend the event and will be pleased to meet you at the Ogier exhibition stand if you wish to get more information about our legal services.

Contact us, if you would like to connect at the conference.
