

Thought Leaders 4 Private Client is hosting the Contentious Trusts Next Gen summit 18-20 September 2024 which will feature three days of interdisciplinary presentations and discussions for the next generation of contentious trusts practitioners as well as for all other practitioners where trusts can be involved.

The event will feature practitioners drawn from trust companies, chambers, advisory practice, HNW divorce, fraud, commercial disputes, and contentious trusts expertise.

Ogier Partner James Angus will be speaking at the event and serving on the advisory committee.

Please contact James if you would like to connect at the event.
