Background and experience

Marie advises her clients on a wide range of commercial and cross-border litigation. She has built up considerable experience in shareholder valuation disputes through her involvement in many of the leading appraisal proceedings before the Cayman courts including *Shanda Games*

Ltd, Kongzhong Corporation, iKang Healthcare Group, JA Solar, eHi Car Services Ltd, Xiaodu Life Technology Ltd, Sina Corporation and 58.com, the latter of which involves proceedings arising out of the US\$8.7 billion privatisation of China's largest online classified marketplace. Marie has substantial trial experience and was lead associate in the successful defence of a liquidator's claim surrounding the collapse of a US\$22 billion hedge fund at a trial which lasted six months.

Prior to joining Ogier, Marie was an international disputes associate with HFW and Reed Smith in Singapore. She was a senior associate at another major offshore law firm in Hong Kong before relocating to the Cayman Islands in 2019. A versatile litigator, Marie also holds a degree in Accounting and Corporate Finance.
