

Ogier is delighted to be one of the sponsors of this years' FIRE International 2024 event.

This three-day conference will be covering all the key regions generating work for international practitioners. The sessions will address the trends and developments in jurisdictions from across the Middle East, CEE, CIS, LatAm, Africa, Europe and India.

Oliver Passmore will be joining a panel to discuss 'Practical Considerations for Cross Border Cooperation between Courts and between Insolvency Officer Holders'.

Please contact us directly if you would like to connect at the event.
