Background and experience

Before joining Ogier, Brian was part of the banking and finance team at a top tier international law firm in Luxembourg where he specialised in various types of cross-border financial transactions, including secured loans, financing for acquisitions and refinancing as well as debt restructuring (refinancing, granting of guarantees and securities package, liability issues and, in particular, implementation of the double Luxco structure). Brian holds a degree from the University of Perugia and has gained experience working at a legal practice in Italy, where he provided clients with guidance on banking and tax matters under Italian legislation.
