Background and experience

As a member of Ogier's Property Law Team, Jean specialises in Share Transfer and Flying

Freehold transactions. This involves preparing and reviewing share sale agreements, reviewing statutory records of Companies, the records of Associations and reviewing the management of collective properties.

Before joining Ogier, Jean worked for another leading offshore law firm in Jersey for two years in their personal law department with a focus on family law. Prior to that Jean worked for another family law team for over ten years in both conveyancing and family law.

Jean also has experience in trust and company administration.

Jean is a graduate from Nottingham Law School with an LLB (Honours).

Recognition

"They were excellent - very responsive, very efficient, and always calm and helpful when things got difficult."
