Background and experience

Kate is a corporate and banking specialist advising on a wide range of high-value international transactions. She acts for international finance institutions, investors and corporate borrowers in relation to complex, multi-jurisdictional bilateral and syndicated facilities, refinancing, restructuring, insolvency and security enforcement. Kate has significant experience in relation to the financing of investment funds, the real estate finance sector, borrower finance and non-contentious restructuring.

Kate is part of Ogier's multi-disciplinary Restructuring and Corporate Recovery team. She specialises in refinancing, corporate restructuring and reorganisation and formal insolvency

procedures. Her experience includes advising creditors on security enforcement and Jersey entities on directors' duties and insolvency issues in the context of distressed corporate groups.
