Background and experience

Milan heads Ogier's German Desk and advises clients from the DACH region on all Luxembourg law matters relating to investment funds.

Before joining Ogier, Milan was part of the investment management team of an international law firm in Luxembourg where he worked on set-ups of major alternative investment funds and advised financial institutions on fund financings.

He was also seconded to the regulatory/funds team of a major international law firm in Frankfurt/Main (Germany), allowing him to further strengthen his connections in the DACH region. As a German-qualified lawyer (Rechtsanwalt, non-practising), Milan passed the First State Exam at the University of Würzburg (Germany).

He gained further experience during his legal clerkship, which he concluded with the Second State Exam. This led to him working for a London based international law firm in Frankfurt/Main (Germany) and, subsequently a major business law firm in Strasbourg (France).

He is fluent in German, English and French.
