Background and experience

Sam typically works with clients with an entrepreneurial background and those that have a focus on direct private investment opportunities.

He has over 10 years' experience in Jersey's finance sector and has also focused his experience on the administration and structuring of Private Equity and Venture Capital investments leading to a portfolio of clients with a keen interest in these fields.

Having worked for periods in the funds industry, Sam is well placed to understand the intricacies of private equity investments from both the investor and investee sides of a transaction. In addition, Sam forms part of our Marine and Aviation sector focus group, regularly working with UNHW individuals and their luxury asset requirements.
