

Ogier donates \$1250 to the DMS Operation End Hunger Campaign

News - 20/12/2018

Ogier has donated \$1250 to the DMS Operation End Hunger Campaign, a food drive run by DMS broadcasting to support Meals on Wheels, Feed our Future and various church pantries in the Cayman Islands.

The programme included a month-long promotion throughout November encouraging donations. The food drive culminated in a large live broadcast across all DMS stations on 30 November, 7am-9am.

Ogier elected to donate the radio spots that formed part of its sponsorship package to Meals on Wheels, enabling the charity to promote upcoming events and highlight the work they do in the community.

Ogier has a long-standing relationship with Meals on Wheels in Cayman, with a number of employees regularly distributing food for the charity during their lunch hours.

Associate Cline Glidden said: "We were pleased to continue our support for Meals on Wheels in Cayman and support the wider food drive through sponsoring the DMS Operation End Hunger Campaign.

"It's important to remember the lifeline that charities like Meals on Wheels and Feed our Future present to individuals in need across Cayman, particularly as we come up to Christmas. We'd like to thank everyone who donated so generously."
