

Ogier restructuring and insolvency experts to attend INSOL Singapore

News - 12/03/2019

Dispute resolution experts Simon Davies, Marc Kish, Brian Lacy, Oliver Payne and Oliver Passmore are attending INSOL Singapore, 2 April – 4 April 2019.

INSOL is a world-wide federation of national associations of accountants and lawyers who specialise in turnaround and insolvency. Their regional conferences bring together world-class professionals from across the globe to share expert insights into developments in cross-border and offshore insolvency and restructuring.

Ogier's global dispute resolution team continues to work at the cutting edge of offshore cross-border restructuring and insolvency matters, having recently successfully represented the applicants in the first ever 'soft touch' provisional liquidation in the BVI and having worked on the award-winning restructuring of Ocean Rig, the first and largest restructuring of its kind.

Partner and head of Ogier's insolvency team in the Caribbean and Asia, Marc Kish, said: "INSOL conferences are always a valuable opportunity for practitioners to share insights into major industry developments. With the global winds blowing towards increasingly complex restructuring and insolvency matters, we look forward to discussing the significant role our global jurisdictions play in providing responsive solutions for clients."

If you are also attending INSOL Singapore, don't hesitate to get in touch with the team using their contact details on the right.
