

Ogier advises Cain International on Paris office development acquisition

Deals - 24/11/2020

Ogier has recently advised Cain International on the acquisition of the Colisée II, an office development in the Paris commune of Saint Ouen.

Cain International is a privately held real estate investment firm operating in Europe and the UK. Once fully refurbished, Colisse II will provide high quality office space.

Ogier supported Cain International with the acquisition. The team was led by partner Sophie Reguengo, with assistance from associate Nic Le Breully and trainee solicitor Pippa Sheehan.

Sophie said: "This is a significant transaction for long-standing client Cain International and is a strong indication that Grade A office space in the right location remains an attractive investment."
