The virtual event, which is taking place on 30 September, will feature experts with a broad variety of professional backgrounds. In a session titled 'ESG – State of Play,' Anne-Gaëlle will join Carlo Maximilian Fund of State Street Global Advisors in conversation to discuss what practical measures are in focus today, including SFDR, and how the market and ecosystem are supporting sustainable investment.

"I'm very much looking forward to speaking at this year's ALFI Digi Pulse USA, which will be a fantastic opportunity to engage with industry experts on the current hot topics in the investment funds space," said Anne-Gaëlle.

"In the context of the continued growth in sustainable funds, I will be pleased to discuss the importance and impact of sustainable investment in the fund industry and also the challenges ahead."
