

Katie Baxter takes home gold at the Citywealth Future Leaders Awards

News - 15/11/2021

Katie Baxter, senior associate in Ogier's Private Wealth team in Jersey, was named Lawyer of the Year in the IFC – Senior/Managing Associate category at the Citywealth Future Leaders awards which were held in London last week.

This is the latest industry recognition for Katie, who was also named a Rising Star in The Euromoney Awards earlier this year.

Judges referred to Katie's work on complex trust matters, which involved assessment of trust structures in relation to human rights law, her critical role in supporting team cohesion throughout the pandemic and her CSR work.

Global head of Private Wealth James Campbell said "Katie's contribution to the team and the wider firm is invaluable thanks both to her technical excellence and her support of Ogier's culture – it's fantastic to see this recognised at a national industry event."
