Deals - 18/11/2021

Ogier is advising Blue Safari Group Acquisition Corp. (Nasdaq: BSGA) (**Blue Safari**), a publicly traded special purpose acquisition company (**SPAC**), on the proposed business combination transaction through Cayman statutory merger with Bitdeer Technologies Holding Company (**Bitdeer**), a world-leading technology company for the cryptocurrency mining community. The parties have entered into a definitive merger agreement on 18 November 2021. The transaction values Bitdeer at an implied enterprise value of approximately US\$4 billion.

The transaction is expected to be completed in the first quarter of 2022, subject to, among other things, regulatory approvals, the approval by Blue Safari's shareholders of the transaction and satisfaction or waiver of other customary closing conditions. Davis Polk & Wardwell LLP, Haiwen & Partners and Ogier are serving as legal advisors to Blue Safari.

The Ogier team in Hong Kong was led by senior associate Rachel Huang with support from the firm's global head of Corporate, Nathan Powell, and paralegals Jenson Ng and Vicky Wu.

Nathan commented: "Since last year, we have seen a surge in demand in Asia for the establishment of SPACs for US listings and now the subsequent business combinations transactions and de-SPACs has started to rise. With our substantial experience and expertise in the area, we are committed to provide excellent service to our clients throughout the SPAC formation, listing and de-SPAC phases."
