

## Lucy Fraser

### Areas of expertise

### Background and experience

Before joining Ogier in 2022, Lucy worked at two other leading financial companies and has more than eight years experience in the offshore finance industry.

Lucy has experience in delivering world class administration solutions to a broad range of global institutions. Her areas of expertise consist of corporate and asset managers across various asset classes focusing on corporate and trust structures, outsourcing and manager relocation services, commercial and residential real estate, investment holding structures and employee incentive plans.

Lucy has managed various multi-skilled teams to deliver high-level client service and efficient administration solutions. She is also an Associate of the Chartered Governance Institute where she was awarded the "Best International Paper" in the Trust & Company Administration exam with CGI during 2018.
