Welcome to the latest Taking Stock, our sector-specific newsletter offering global perspectives and updates on the private equity market.

In this update, our team in Jersey looks at why an increasing number of private equity fund managers are making the jurisdiction their home. Tim Cone, from our Latin American practice team, looks at trends in the region, Cayman Islands partner Joanne Huckle discusses PE structuring, and Alexander Curry talks about the impact of inflation on infrastructure assets.

We also bring you news of our exciting merger with Dublin-based Leman Solicitors, resulting in a combined firm offering legal services to the Irish market. In addition, we celebrate our recent win at the Private Equity Wire Awards 2022, and recognition for five partners in the Top 50 Offshore Lawyers 2022 by Asia Business Law Journal.
