

For years, legal disputes involving assets worth billions of dollars have been reviewed and resolved in the Cayman Islands. Now in its second year, Global Restructuring Review has once again chosen the Cayman Islands as the location to host the Annual GRR Live Offshore Forum.

Ogier Partner and Global Head of Dispute Resolution Rachael Reynolds joins a panel of industry experts for a thought provoking discussion during the *GRR Live Question Time* interactive session which will cover a variety of topics including:

- After Platinum Partners, what is now understood about working with foreign regulators?
- The recent cases and trends in the Cayman Islands that have significantly affected the practice of restructuring law.
- The anticipated effects of forthcoming changes to insolvency law in the Cayman Islands

Additional Ogier attendees will include Partner Ulrich Payne, Counsel William Jones and Senior Associate Gemma Lardner. Feel free to reach out to any member of our team if you would like to meet.
