

Ogier Partner Bradley Kruger and Associate Michael Robinson will attend the *Security Token Summit: Digital Securities on the Blockchain* in Los Angeles.

The Summit is a Security and Digital Securities focused event, featuring a robust agenda which will span a diverse selection of relevant themes including custody, compliance, regulation, investing, marketing, issuance, real estate, tokenization and standards.

If you plan on attending the conference or, are in the Los Angeles area and would like to arrange a meeting with the Ogier team, please reach out to any of our contacts listed.
