

Partner [Bradley Kruger](#) and Associate [Michael Robinson](#) from Ogier's leading Digital, Blockchain & Fintech team will be attending the CIS Blockchain Technology Innovation Conference in Los Angeles.

CIS is a leading conference focused on blockchain technologies, investors, entrepreneurs and developers. The event features curated panels and fireside chats with industry leaders and innovators and includes opportunities for in-person meetings and targeted networking.

If you are attending, or will be in Los Angeles during the conference, please reach out to Bradley or Michael to schedule a meeting. Our industry experts would be pleased to discuss your needs.
