

Ogier is proud to be sponsoring the 2019 INSOL Channel Islands seminar which will be held on Thursday 20 June 2019 in St Peter Port, Guernsey in association with ARIES, the Channel Islands INSOL member association, and with the support of restructuring professionals from Jersey and Guernsey.

Packed into an area of 25 square miles, the island of Guernsey boasts dramatic coastlines, Neolithic sites, the Castle Cornet, and ancient burial sites including Le Creux es Faies, a tomb that was once believed to be the gateway to a magical fairyland. As well as many outdoor activities, Guernsey has a rich culinary scene and of course a large financial industry.

The chairs of the seminar and the main organising committee are currently preparing the latest educational programme, which will feature both offshore and cross-border topics.

Ogier partner [Mathew Newman](#) will be speaking at the event with partners [Bruce MacNeil](#) and [Oliver Passmore](#) with counsel [Alex Horsbrugh-Porter](#) and managing associate [Paul Chanter](#) attending. Please get in touch if you would like to arrange a meeting.
