

The ACI and C5 Fraud, Asset Tracing & Recovery conference aims to bring together the most-in-demand fraud litigators who are recognised across the globe as the “go-to” experts when handling hugely complex, multi-jurisdictional cases in the field of commercial litigation, civil fraud, corruption, business crime and insolvency. Attendees are able to deepen their knowledge of enforcement issues, criminal and civil remedies and the latest asset recovery tools and techniques.

Partners Marc Kish, Jennifer Fox , Nicholas Burkill and Simon Davis will be attending.

Please reach out via the contact details here to schedule a meeting.
