

The American Chamber of Commerce in Luxembourg (AMCHAM) and the British Chamber of Commerce have teamed up with immigration professionals from Brussels and London and global immigration firm Fragomen to offer a public service seminar on 7 October to show how, with careful planning, you can manage the risks and issues in the run up to and post Brexit.

Partners and Luxembourg experts Anne-Gaëlle Delabye and Managing Associate Walid Sharara will be attending the conference.

Please get in touch with them if you would like to discuss investment funds related topics or arrange a meeting.
