

The China Finance Forum brings to Luxembourg the best experts and practitioners on financial services in relation to China.

Topics covered this year include **recent economic developments in China**, China's green finance revolution, China's fintech and innovation boom, channels to access China's capital markets, China's opening up and diversification of the Chinese financial industry, and Chinese outbound investments in the EU.

Please get in touch with Partner [Bertrand Geradin](#) if you would like to arrange a meeting.
