

Ogier, along with DBS Bank Hong Kong, invites you to join this webinar on Thursday 16 July, designed to help fund managers understand the new dynamics in the post-pandemic market.

The webinar will focus on private equity, investment opportunities and risk mitigation know-how in the post-Covid market. Webinar attendees will gain practical insights to investment and fund raising in a disrupted market.

Nicholas Plowman, partner at Ogier, will be speaking during the webinar on '**The New Regulatory Regime for Cayman Close Ended Funds**'.

Other topics being covered include:

- Prospects and Opportunities after Covid-19
- Asian Private Equity Fundraising and Investment Opportunities
- Next Generation Back Office for Private Equities
- Risk Mitigation
