

A delegation from Guernsey is hosting a virtual South African Private Wealth-focused roadshow from 24-26 August to promote Guernsey services and structures for private clients across the South African region.

The roadshow will be led by Guernsey Finance's Director of International Business Development James Crawford, who will be joined by [Chris Hards](#) and representatives from Canaccord Genuity Wealth Management, Dixcart Trust Corporation, and Qualis Taxation Services.

The webinar will open with Guernsey's key private wealth messages, followed by the delegates covering the following topics:

- Family Office and Pensions
- Different Types of Guernsey Structures
- Substance
- Establishing structures and accounts in Guernsey
- The breadth and depth of Wealth Service Providers

The virtual roadshow will run over three days and include a Guernsey Finance-organised webinar, focused on delivering key Private Wealth messages, virtual meetings with South African industry and the promotion of Guernsey's private wealth sector.
