

Europe's largest gathering of Private Real Estate leaders is going virtual for 2020.

The event seeks to bring together leading investors, managers and advisors to understand the current real estate environment and to explore the trends that will influence your strategies.

The agenda has been designed to maximise networking opportunities through one-to-one meetings and group discussions - please don't hesitate to get in touch with the team from Ogier to arrange a meeting.

Jersey Partner Richard Daggett will be attending along with Ogier Global Director / Head of Global Real Estate Administration, Lawrie Cunningham and Guernsey Managing Associate Jane Hogan.
