

Fraud, Asset Tracing and Recovery Miami 2020

Events - 01/01/0001

The 9th Annual C5 Fraud, Asset Tracing & Recovery Miami conference will be held virtually.

The 3 day forum will include presentations from speakers who have handled the most complex, multi-jurisdictional commercial fraud, insolvency and asset recovery cases in recent times.

Ogier partner Jennifer Fox will present on a new, special case study panel taking place on day 3 titled *"Compare & Contrast: One Case... Many Different Outcomes"*.

Jennifer will join practitioners from the UK, U.S. and other key offshore jurisdictions to work through a case study of a complex multi-party, multi-jurisdictional matter. Panellists will share their perspective on important and lesser known nuances across civil and common law systems.
