

Partner Laurent Thailly is attending the next webinar on securitization organised by the AIF club of EY on 11 February 2021.

During this ninth securitization event, they will discuss the current impact of the pandemic on the securitization market, the importance of transparent valuation of financial assets in this current time, and get an update of the Tax regulations impact on the securitization industry.

If you would like to arrange a meeting with Laurent post conference, please get in touch.
