

## Digi Pulse USA 2021

Events - 01/01/0001

Ogier is a sponsor for the Digi Pulse USA event organised by ALFI.

The alternative investments sector is driven by an environment of low interest rates and a quest for return and portfolio diversification. With the aim to replicate its UCITS success story in the alternative investments area, Luxembourg has consistently expanded its range of structuring opportunities over the past few years. On 30 September 2021 fund industry experts with a broad variety of professional backgrounds will focus on the US to provide you with practical and innovative solutions for raising capital globally and update you on the latest developments.

Anne-Gaëlle Delabye will join a panel of leading experts in the investment funds world to explore the key drivers behind these trends.
