

Ogier is delighted to sponsor the Jersey Cider Festival, La Faîs'sie d'Citre.

This year's event returns to Hamptonne Country Life Museum the weekend of 16-17 October. Celebrating Jersey's cider making traditions, the festival will feature dancing, delicious local food and plenty of fun family activities, as well as the all-important apple pressing by Jersey Heritage volunteers.

There is limited parking so, if you choose to drive, please pre-book a parking space in advance. Parking costs £2.50. More information on this can be found [here](#).

Entry into the Cider Festival is free for Jersey Heritage members, Société Jersiaise members, National Trust for Jersey members, and children under six. The normal entry fee applies for non-members.
