

Guernsey has a long-established tradition of providing specialist wealth management services for sophisticated clients and their families.

WE ARE GUERNSEY's Middle East-focused private wealth roadshow will share more information about how Guernsey solutions can work for Middle East clients. [Chris Hards](#) will be discussing family office services in Guernsey during the live webinar on 22nd November. Other topics of discussion include philanthropy, responsible and sustainable investing, challenges in the Middle East and Code of Corporate Governance.
