

## Jersey Finance: Zurich Funds Masterclass

Events - 01/01/0001

Jersey's funds industry has performed particularly well in recent years. Figures for June 2021 show that the net asset value of regulated funds being administered in the jurisdiction had grown to US\$602.4 billion – the highest level on record. Furthermore, the island is home to more than 286 fund promoters, and is firmly established as an alternative investment fund destination.

Partners [Jonathan Hughes](#) and [Emily Haithwaite](#) will join Jersey Finance Head of Funds, Elliot Refson, at the Jersey Finance Funds Masterclass breakfast event in Zurich on Wednesday 17 November. They will discuss how Swiss Fund Managers are increasingly taking advantage of Jersey.
