

As we begin travelling once more, we are quickly going to find ourselves in a new way of life. Things have gone digital, crypto is on the rise and courts have gone online.

The conference will help attendees understand how to navigate these changing times and what they mean for our role.

James Angus, Bryan De Verneuil-Smith, Jennifer Fox, Brian Lacy, Oliver Passmore, David Welford and Heidi Sandy will be attending. Please feel free to reach out via the details provided on the right if you would like to connect.
