

Brian Lacy will be one of the guest speakers at this year's FIRE International Asset Recovery event. Bryan De Verneuil-Smith, Mathew Newman, Nick Williams, James Angus and Rebecca McNulty will also be in attendance. The conference will feature speakers from across the globe covering all the key regions generating work for international practitioners. The streamed sessions will focus on the trends and developments in jurisdictions such as Russia, CEE, CIS, Middle East, LatAm, Africa, PRC and India.
