

Ogier is delighted to sponsor the next Women's Business Network.

Christina Blacklaws will speaking at the event on 'Diversity & Inclusion and women in leadership' and will also touch upon algorithms and their impact on D&I.

Christina is passionate about, and a champion of, diversity and inclusion, technology, access to justice, mental health and well-being. She is also a multi-award winning published author, speaker and lecturer and frequent media commentator.

If you would like to attend please contact holly.gwyn-griffiths@ogier.com.
