

In this webinar, jointly hosted by Ogier and Sanne, we will share practical experiences in advising and supporting asset managers in their journey to meet sustainability related regulatory standards.

Moderated by Archie Irtizaali, our panel of experts will be discussing:

- Key points for implementation of sustainable investment regulation with a focus on EU, Hong Kong and Singapore regulation.
- Real life examples of tackling integration of commonly used metrics.
- Data availability and reporting from fund administrator's perspective.

**Speakers:**

- Kate Hodson - Partner and Head of ESG (Legal) - Ogier
- Kasia Zatorska - Senior Manager, Sustainable Investment Consulting - Ogier Global
- Karliën De Bruin, Global Head of ESG - Sanne
