

Alan Wong, senior legal manager in Ogier's Hong Kong investment funds practice, will be a guest panelist at **The Future of Digital Assets** webinar hosted by DBS on Thursday 20 October.

Join this webinar to hear insights about Digital Asset trends, opportunities and challenges. The speaker line-up, formed by a spectrum of experts from cryptocurrencies, finance, legal and banking, will offer a comprehensive outlook to guide your upcoming financial decisions related to Digital Assets.

Topics:

- The Future of Digital Assets? Regulatory Update and Compliance Development (English)
- Crypto Fund from an Offshore Legal Perspective (Mandarin)
- Digital Assets and Cryptocurrencies Market Outlook (Mandarin)
