

The 22nd Annual ITR Global Transfer Pricing Forum Europe returns as an in-person event in Amsterdam on 28-29 September.

The leading international transfer pricing forum provides opportunities for tax leaders to take stock of recent trends and developments in transfer pricing. You will gain insights into what the changes mean for your business, and how to adapt your TP strategy in what are very uncertain times.

Thought leaders from in-house, advisory, private practice, regulatory and government converge to provide leading transfer pricing professionals with critical insight and advice on core transfer pricing issues.

Our tax Partner, William Jean-Baptiste, will attend the event. Please get in touch, if you would like to meet up with him.
